1987 Editor's Note

Fellow students of Yuma High,

El Saguaro '87 is the proud accomplishment of the yearbook staff who worked hard all year to provide you with this pictorial of the 1986-87 school year.

Seniors leave with all the memories of the football games, pep rallies, and friends we have made in our four years at Yuma High. For our future, we have the faculty to thank for making a difference. I wish you, the Class of '87, the best of luck for a successful and happy lifetime.

Underclassmen, Yuma High is the best! Get out and express your pride and spirit. Don't let anyone put you down, be the best you can for your school. Get involved and have a good time to experience four great years of your life!

We designed the '87 El Saguaro for you the students of Yuma High and we sincerely hope you appreciate our efforts. A supplement has been added to include activities which occurred in the spring and previously had not been able to be included in the book. It is a sixteen page addition that can be added to your yearbook. It will capture the memories of the prom and graduation along with the action of spring sports. Seniors will be sent this new addition in the fall and returning students will pick them up as they begin school in the fall.

Many people helped to make this yearbook possible. Many thanks go to Mr. Johnson, our yearbook advisor; Mr. Poole, our company representative; Mr. Updike, our portrait photographer; and to the staff, who I had pleasure working with because they spent so many hours to put this unique book together for you. There will never again be another yearbook that will capture the memories of the 1986-87 school year at Yuma High. We hope it will bring back your fondest memories in future years.

Earthtone Buildings Yuma

Buildings on Yuma High add an attractive quality to the landscape. The earthtone appearance adds a new feeling to the campus.

Some of us were fortunate to view the Research Center being built and to occupy the new addition to our campus.

Old Main was reconstructed and this year was available for our use. Also, AD and Snider were painted, which led to the completion of the new look on our campus.

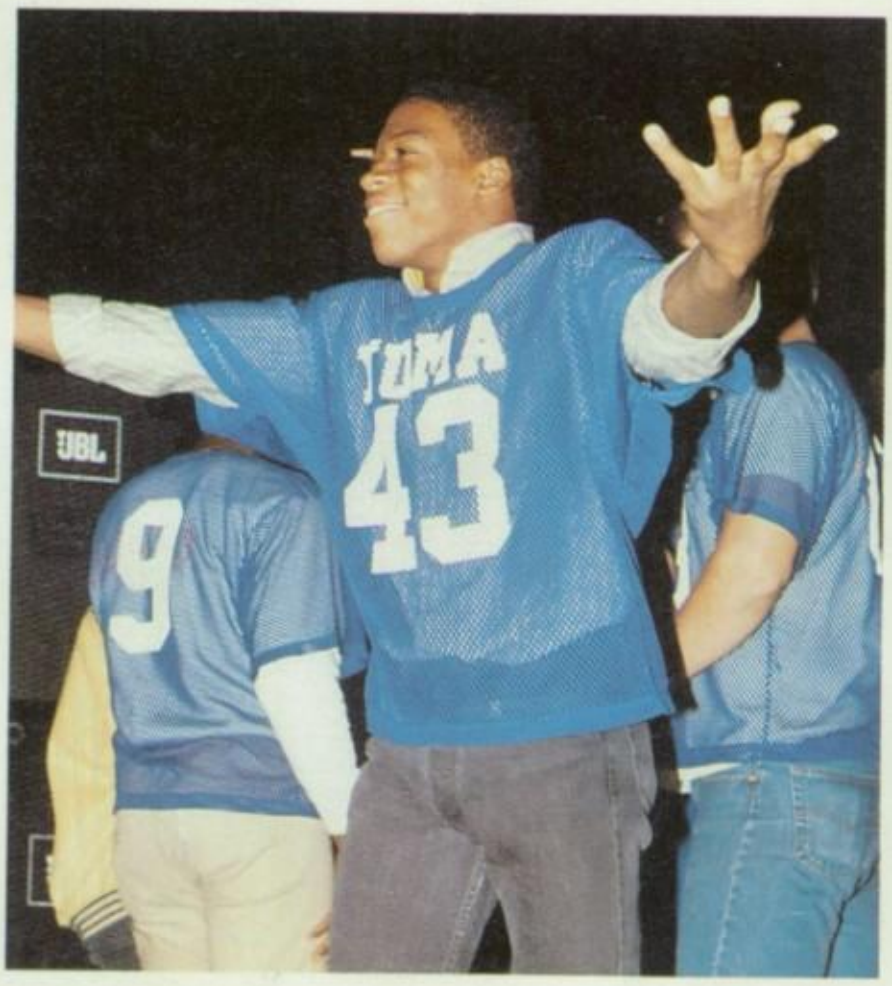
Spirit And Pride Make



Yuma /Kofa week was the week the football players and students all looked forward to. It was filled with activities for all Criminal fans to participate in. The activities included the always a pleasurable Kofa dress down day; a new, dress like your favorite football player day; and the traditional blue and white Friday.

Thursday night there was a pep rally at Prison Hill, full of Criminal Spirit that carried on to our Friday pep assembly. When the game arrived, all the fans were ready. The guys played their best game, but came up short at the end. Nothing was lost but the game, because the Criminal pride came through.

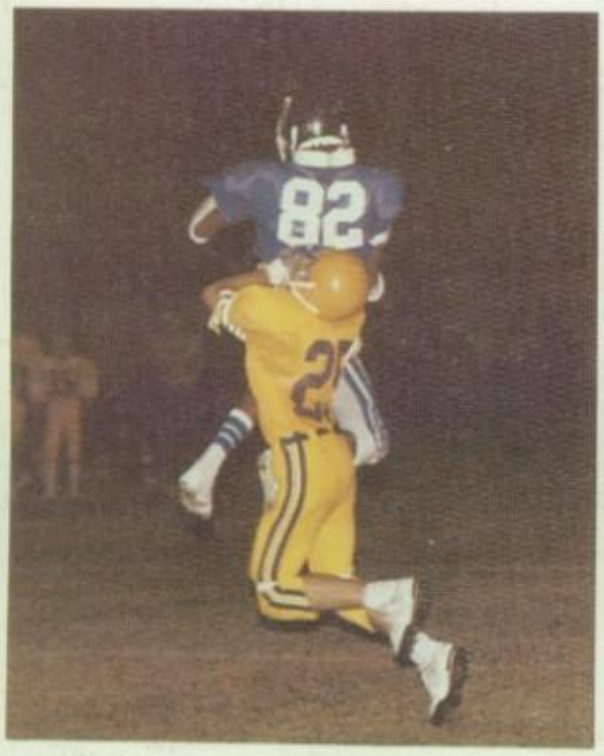
Homecoming '86 was a special week for the top five candidates. They were honored to be chosen by the senior class to represent our school as King and Queen.

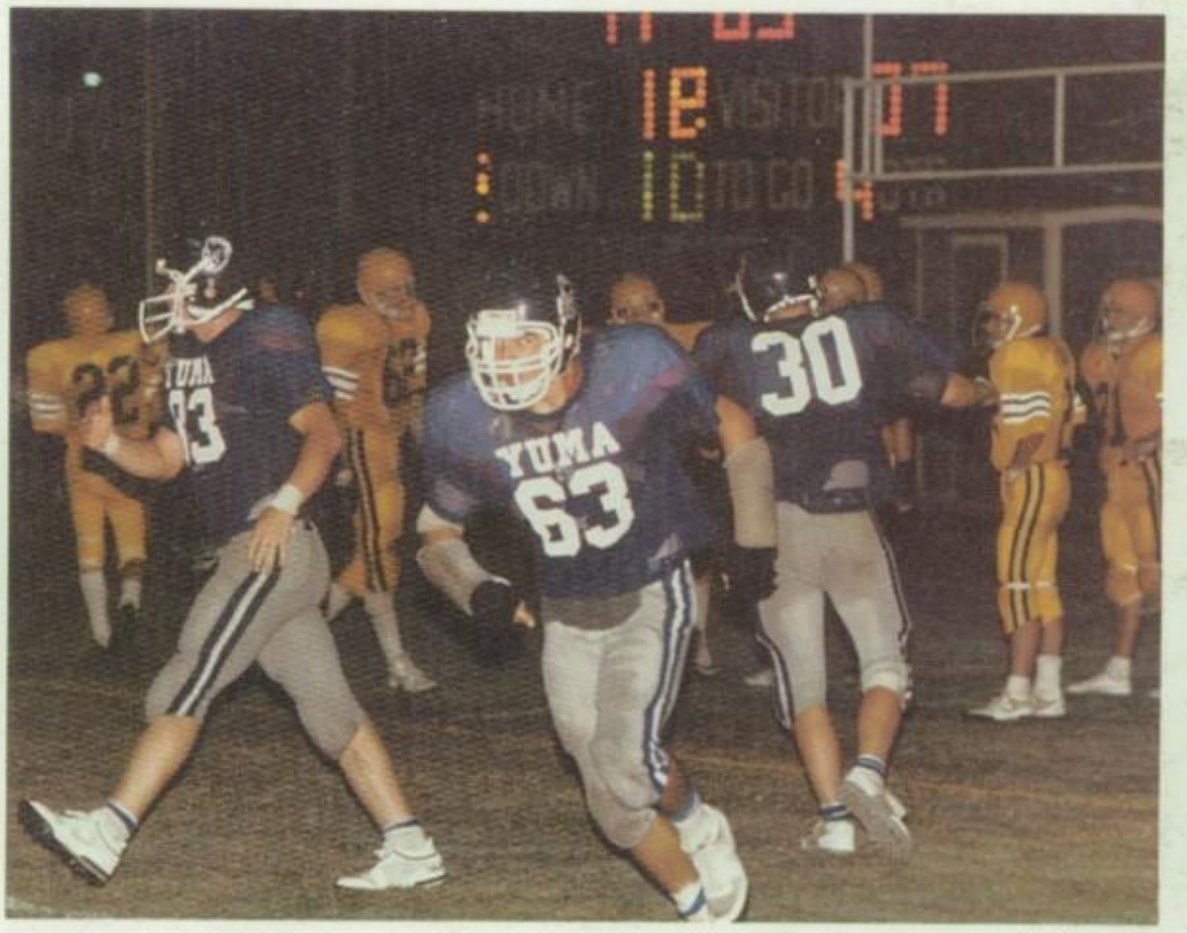
"Memories of the Past" was the theme of Homecoming. The floats were built based on the theme which was best represented by the sophomore class.

During the week, the candidates participated in activities during both lunches. The activities included a mummy wrap, a quick draw with squirt guns, a licorice race, and Knights of the Oval Table, which was a race played with spoons and eggs.

When the activity filled week ended, it was time for that all important night. The candidates rode to the platform in classy corvettes and mercedes. When that glorious, long awaited moment came, Reggie Williams and Becky Garcia were announced King and Queen. Congratulations Reggie and Becky, you were most deserved to the honor of being crowned the 1986 Homecoming royalty.

Homecoming Excites Emotions





Float attendants: Junior Steve Chavez, Sophomore Ernie Peterson, and Freshman Mark Baca were chosen by their classes.

Float attendants Freshman Amanda Mundell; Sophomore Lisa Taylor; and Junior Teresa Jaramillo represented their classes

With all the excitement of Homecoming, there was more to add from the football game. Criminal fans were kept on there feet and yelling all night as the varsity team went against highly-ranked Lake Havasu City. The guys played a hard fought game and added much more excitement to a night that was filled with Criminal spirit and pride.

BOY'S AND GIRL'S STATE WINNERS

Jeff Cook, Terri Ferguson, Troy Halvorson, Kim Hesprich, Brenda Mayle, Mike Sussman, Mike Weatherwax

These students made great achievements. Patty Johnson, Yuma's Junior Miss, and Laura Pulley, Rodeo Queen, show much talent.

Seven junior students were chosen to go to Boys'/Girls' State this year. Boys'/Girls' State is sponsored by the American Legion. The students learn about government. At state they actually set up a government and operate it. All of these students have accomplished a lot.

Yuma Junior, Laura Pulley is the Rodeo Queen.

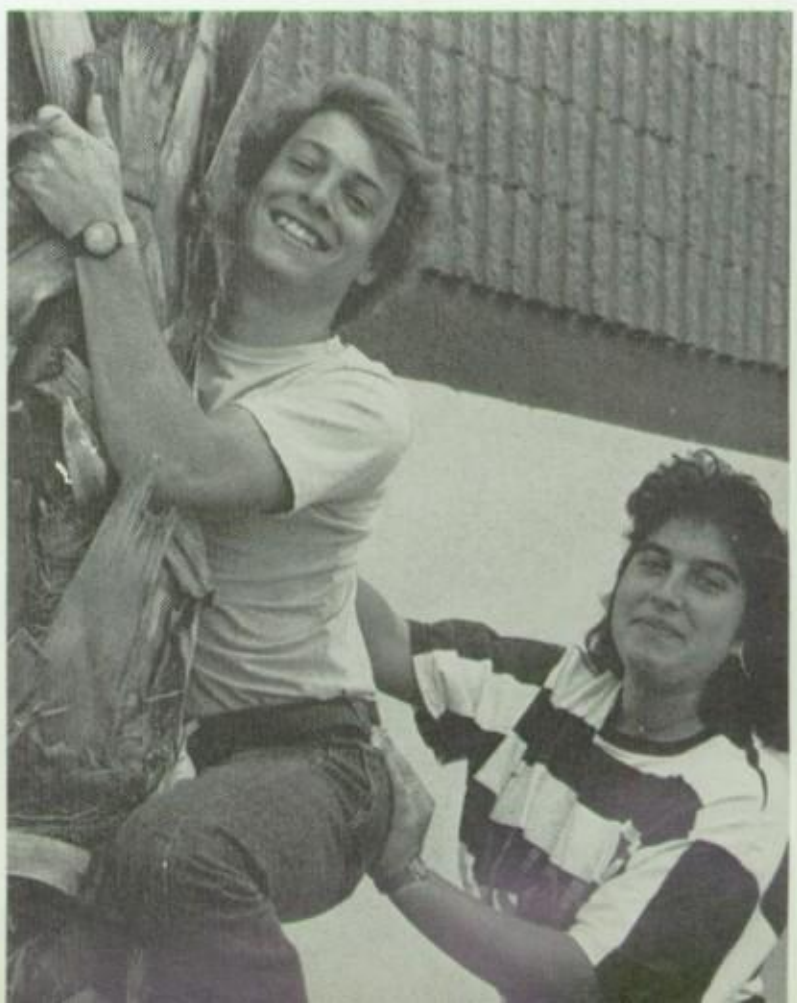
Brazil, Sweden, Portugal, . . .

This year Yuma High had the privilege of having three great foreign exchange students. The foreign exchange students are Fredrik Holqvist, Freddy Roldao, and Catarina Pohl.

Fredrik Holqvist came to us from Hassleholm, Sweden. He is sponsored by Rotary and lived with various families in Yuma. Fredrik is on Student Council, the golf team, and would eventually like to become a professional golfer. While he lived in Yuma he visited many cities in Arizona, San Diego, and went skiing in Colorado.

Freddy Roldao is a senior here at Y.H.S. He came to America August, '86 from Marinha Grande, Portugal. Some of the clubs Freddy is in are: Future Aviators of America, AFS, Student Council, and he is an honorary member of DECA. Some of the places Freddy went to are Los Angeles, Ensenada, Rose Bowl, Parade, Petrified Forest, Indy 500, and various amusement parks. Freddy wants to be a veterinarian. He lives with Ray Sanchez.

Catarina Pohl, a foreign exchange student from Petropropolis, Brazil, is a senior at our school this year. She is on student council and is a member of the tennis team. Catarina's current host family is the Maikis', who have one student at our school. She enjoys school a lot, and loves our town, especially the people, who she says are extremely friendly. She has plans to go to Phoenix, California, the Grand Canyon, and amusement parks. When she enters college after returning to Brazil she plans to study chemistry. Her sponsor is Youth For Understanding.



We Proudly Present The Top 10

Every year the top 10 senior students according to their grade point averages are honored. This year was no exception. Following the first semester grades, the alphabetical list was published.

Grades are figured on a weighted system so it was possible to have a higher than 4.0 (straight A) average. Colleges, universities and professional schools look at a student's class ranking for scholarship and admission criteria.

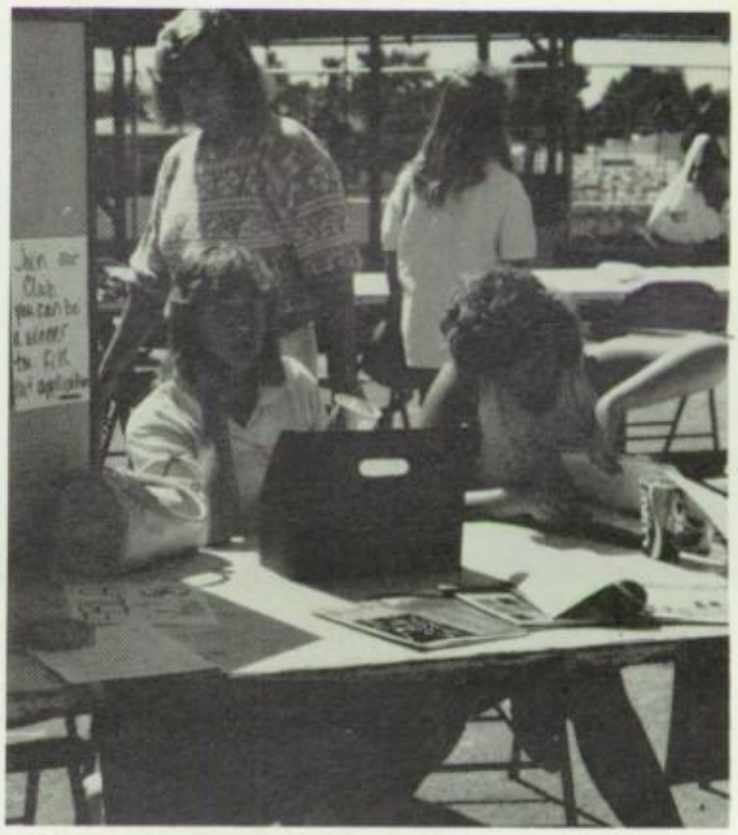
Getting Involved And Making Things Happen



El Saguaro-We Put It Together

This year, like always, the El Saguaro staff worked real hard to put out an awesome yearbook. It wasn't easy, but we did it and we hope you appreciate it.

We had a new company representative, Glen Poole. If it wasn't for him, you wouldn't be viewing this now. For his first year with us, he did an excellent job.

Credit must also be given to our editorial board. Making the yearbook is not as easy as it may seem. There are many stages of the book, like layouts, making of prints, paste-ups, and meeting deadlines. It's all hard work, but very rewarding to see our accomplishment.

Really Got On The Ball

Frank gets busy, animating another edition.

The editors are busy, cutting in the latest edition.

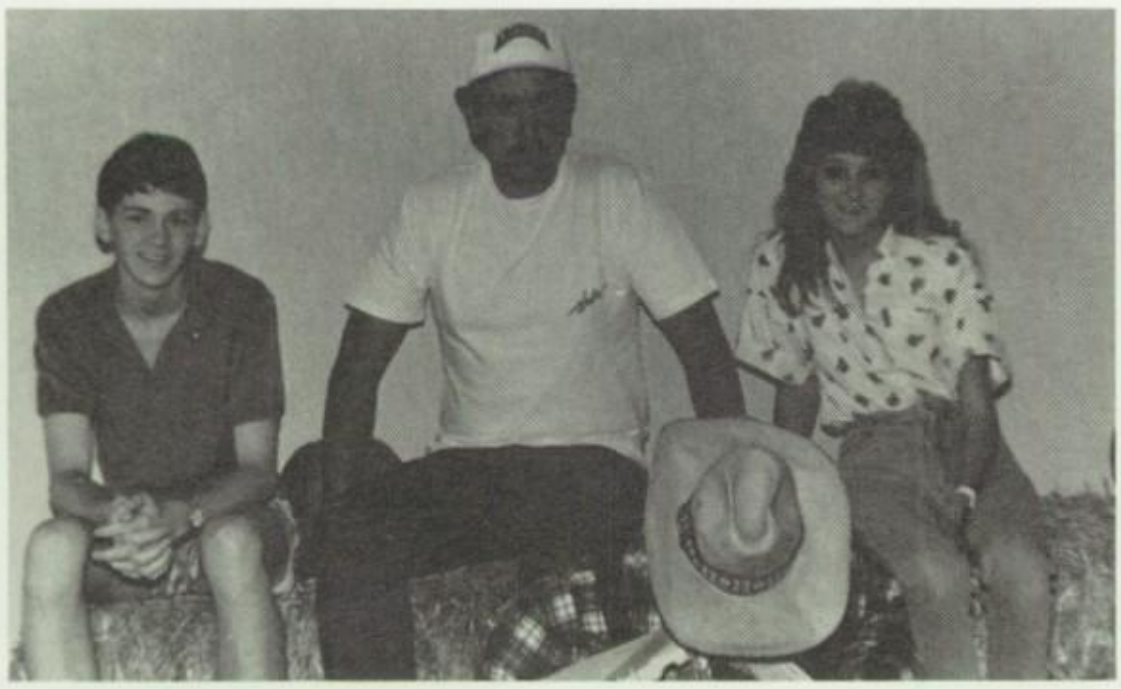
The new advisor, Laura McKelvey, really made things happen!

The Ball And Chain is the official student newspaper of Yuma High School. The staff is made up of editors, writers, photographers, and artists who all work together as a team to produce a high quality publication which is distributed every two to three weeks to the students and staff of Yuma High.

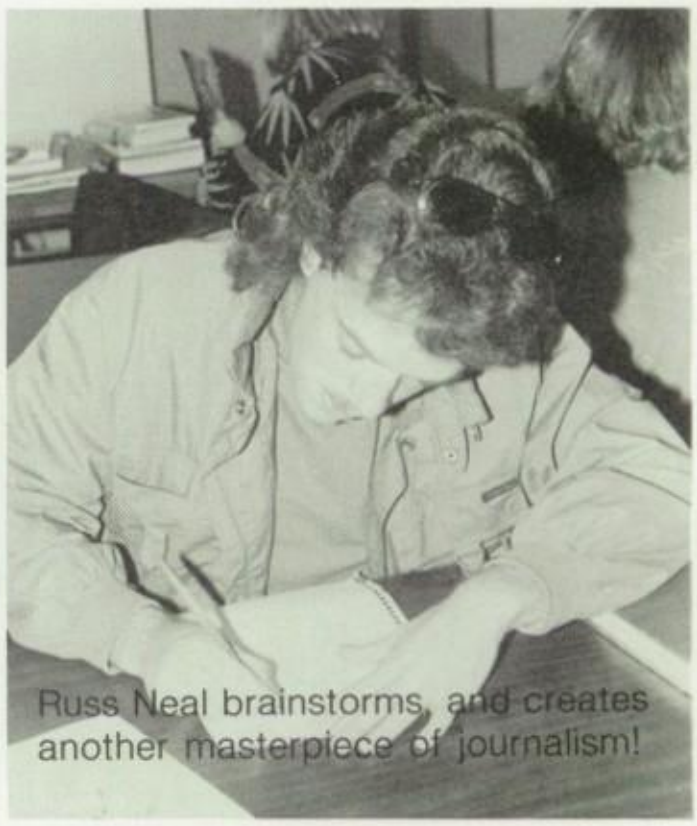
This year's staff took on many new challenges, as well as the problems that come along with them. The newspaper's layout, design, name, and staff are entirely different this year, breaking an over 70 year tradition at Yuma High.

Throughout the year, the students, as well as their new advisor, Laura McKelvey, took alot of heat for their decisions but stood together through the good and the bad, putting forth their best efforts to produce a high quality student newspaper.

They had fun, alot of laughs, but when it came time to get their work done, you just couldn't ask for a more dedicated newspaper staff!!



Photographers, taking time out to get their picture taken.



Russ Neal brainstorms, and creates another masterpiece of journalism!

PRIDE INSIDE

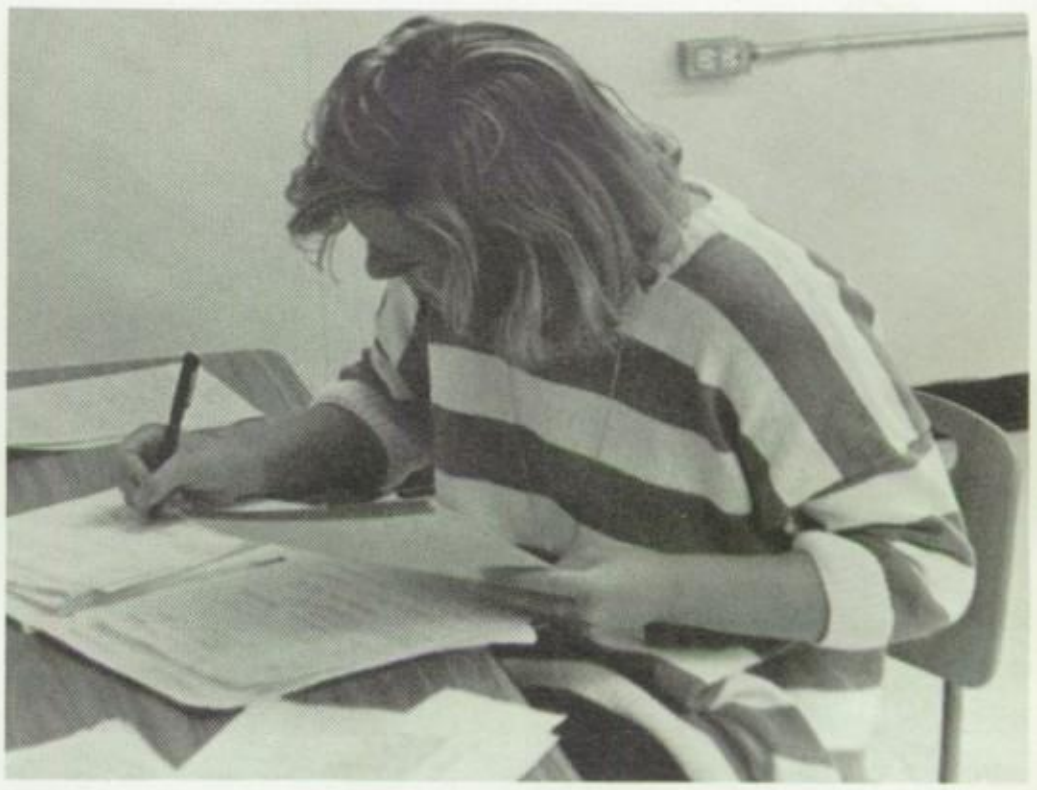
Decisions, decisions, decisions!

Student Council is the most important group on campus as far as promoting Crim spirit is concerned. They are responsible for the organization of most of the school's activities. The success of many of these activities is brought about through the cooperation of the studentbody and our student council. They take very much pride in their work, and see to it that things happen as they are supposed to happen.

Student Council does many things, from taking I.D. pictures to organizing and sponsoring pep rallies, dances, Yuma/Kofa week, Interclub Council, the information fair, and graduation.

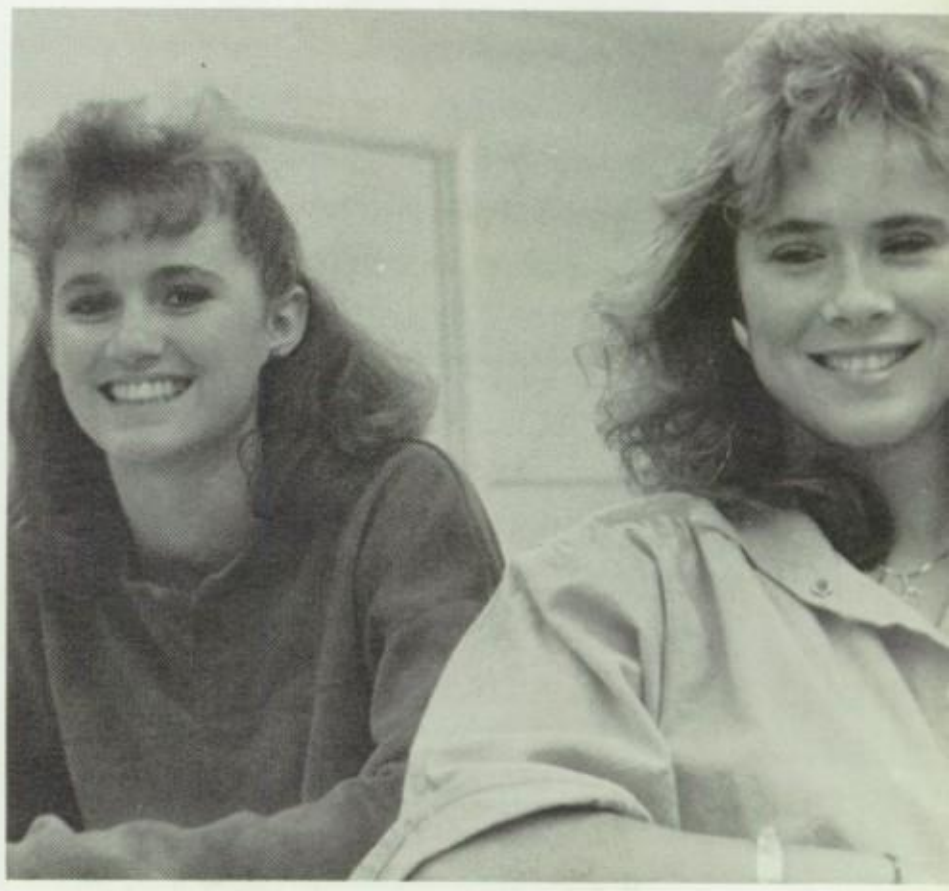
If a year is a success for the students at Yuma High, then you can bet that Student Council worked hard to achieve that success!

A dedicated Becky Garcia calls order to the meeting.



Marie shows that council requires a lot of work.

Le and Sara show that student council requires some stretching.



Kim Hill and Mary Longdail take time out to pose.

Rip Along With Choralairs

Entertainment is what they're all about and Choralairs has certainly shown throughout the years that they have the talent to make music swing!!

The group consists of 70 members and they sing a wide variety of music; pop, country, 40's, 50's, Beach Boys, medleys and rock n roll comprise a long range of music for the young and the older. Choralairs is one of the best vocal performing -roups in the state and they have an excellent stage band.

They represent Yuma High with a lot of class. Choralairs perform widely throughout the community for political rallies and many different organizations. They opened for Mel Tillis and "The Shoppe", a professional band, and appeared on KYEL T.V. showing their wide smiles.

Of course, the success of Choralairs would not be possible without the directing of Mr. McBride.

The nonstopping talent of these musicians never slows down.

A sense of accomplishment is achieved when it comes to raising enough money to take trips to compete in other areas, such as Magic Mountain, U of A and many other places.

Yuma Band performed at Magic Mountain last September with a parade through the park.

These JV band members go to second period every day knowing that if they give 100% into it, That is what they will get back.

With Mr. Dallabetta at there side leading them, they will get what they want and that is to go to Varsity Band.

American Field Service (AFS) is an organization that sponsors students from various countries who want to visit other countries. The students live with host families, go to school and learn about different cultures. The AFS organization at Yuma High is sponsored by Mrs. Alice Isom and Mr. Ray Sanchez.

AFS was real busy this year. Besides selling balloon grams, they had candy sales, sold concessions at sporting events, co sponsored the Christmas formal, talent show, hosted the Arizona AFS weekend, and went to Pasadena, to work on a float for the Rose Bowl Parade.

This year our AFS exchange student is Freddy Roldao. Freddy is living with Mr. Sanchez or "Dad" as he calls him. Mr. Sanchez has taken Freddy to many of the amusement parks in California, the San Diego Zoo, and the beach. They are hoping to go to San Francisco, Carlsbad Caverns, and the Grand Canyon.

Mr. Sanchez and Freddy Roldao relax with a friend.

Anchor Serves The Community

Anchor Club is a service organization consisting of sophomore, junior, and senior girls.

A few of the activities the club plans every year are various charity benefits, scholarships, pumpkingrams for Halloween, the Twirp and Twitter dance in November, gift wrapping the Mall at Christmas-time and selling programs for the Padre games in March. It seems they have dropped anchor here soley for the benefit of the community.

They Represented Us At State . . .

Ms. McCraley and Marie Nidecker go over last-minute notes.

This year, Yuma High School offered a new course entitled Academic Decathlon. This Decathlon is a competition of intellectual ability rather than athletic ability. Students are given extensive information in economics, language and literature, fine arts, social studies, math, and science, as well as learning to give interviews and prepare speeches. Students then compete by taking test in these subject areas at the regional and state levels.

Yuma High's team placed second at regional competition this year and earned the opportunity to compete at the state level. The members were Ric Engler, Kelly Epley, Terri Ferguson, Jeff Goad, Troy Halvorson, Kim Hesprich, Brenda Kramer, Jeff Morrison, Marie Nidecker, Steve Opp, Ray Sainz, and Paul Sussman.

The main support team was composed of Janvier Apostle, Craig Weatherwax, Chris Groves, and Mike Weatherwax. The team earned over thirty medals, and the scholarship money totaled over $2,300.

The coach was Ms. Totsy McCraley.

One of the goals of the organization is to provide business skills for the students in the classroom. The skills that are taught in the class are used on the job in the business world. Another objective of the organization is to develop selfconfidence, responsibility, and an understanding of an aggressive business leader.

Another purpose of FBLA is to bring students together in dealing with occupational preparations. Members develop awareness of community problems on a national and local level and form a worthwhile relations with local, state, and national groups interested in the welfare of youth.

FBLA participated in many fund raisers this year. The fund raisers include making Holloween cookies and having a booth at Halloween carnival. Officers and members went on many workshop trips, and participated in state and national conferences. This year FBLA is celebrating there 25th anniversary. FBLA has become a very successful club within the last 25 years and would like to say thanks.

Thomas Carroll placed third, and Martin Lawsetha and Jose Cazares placed fourth in the Metro Division, all in their respective weight classes.

JV And Freshman Wrestling:

With nine wins and one loss, the freshman wrestling team had a great year on the mat. With a full line up all weights were filled. It's just the beginning for these guys in their wrestling career.

The Yuma JV Wrestling team had a tremendous year. Their record was 8 wins-2 losses. Although there were only seven members, they all did well in their respective weight divisions. Coach Chavez says, "We're looking at next year's state contenders."

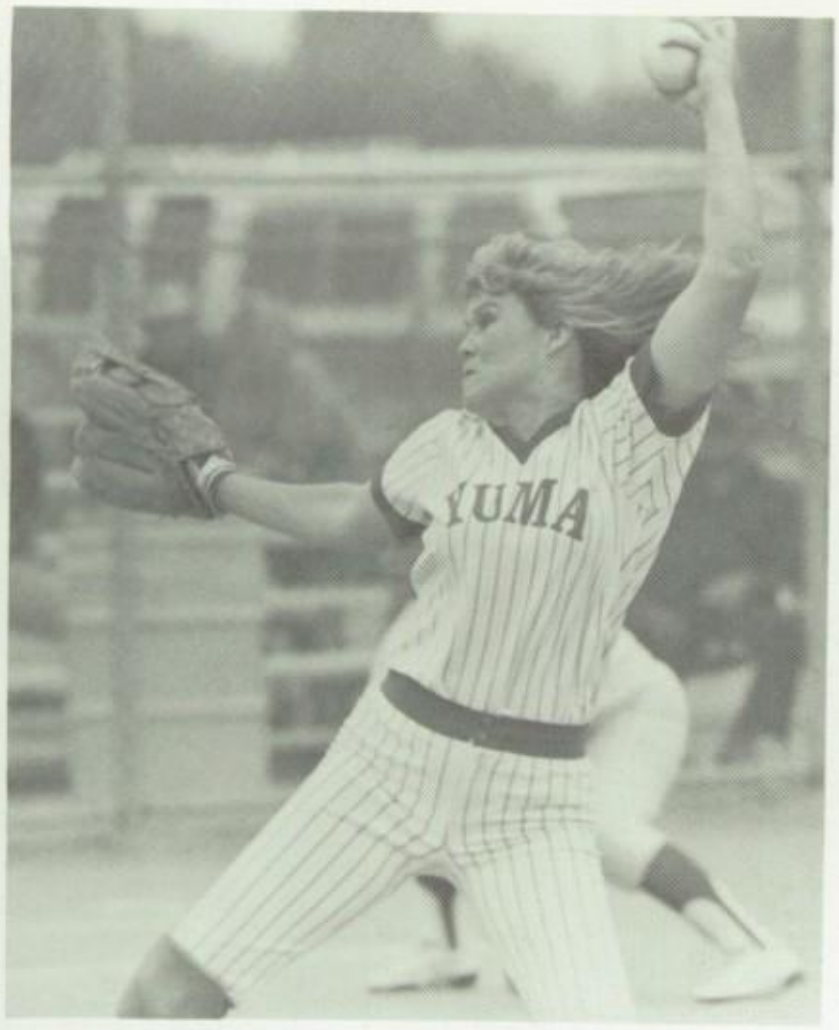
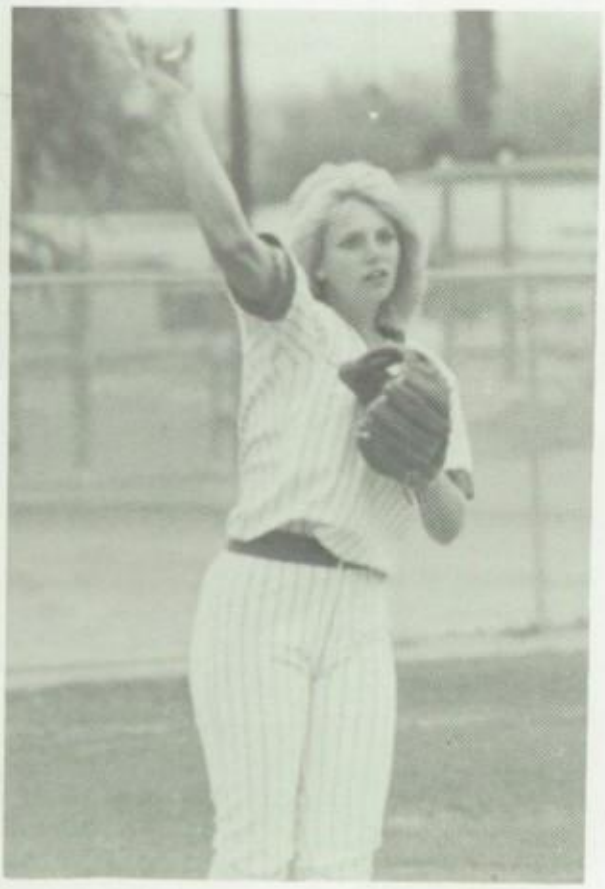
The Yuma High varsity softball team did it again. For the third straight season. They have won the Division Championships. Also, for the straight year, they have gone to the State Finals in hope of capturing the State title.

For many of the players, this was the last year they played together. They played well, but were eliminated in the first round of a single elimination state tournament.



Julie Jones on the mound.

Lady Crim safe at second.



Division Champs . . . Going to State!

JV Softball Is A Hit At YHS

JV Softball was coached by Vicki Headington. At the end of the season, the girls team were 14-0. Their pitcher Pam Lorona was 9-0 with 2 no hitters and 2 shut outs. Jennifer Hand was the relief pitcher with 1-0. Pam Nelson was a strong defense fielder.

It was led by a powerful offense attack; 10 of the 14 games were stopped due to a 10 run rule. Half the team batted over 500. Next year will be even better for the girls. Congratulations.

This years soccer team was a relatively young one. There were not a lot of seniors, and they were without experience. There record was 3 wins and 7 losses. Coach Babb says that next year the team will be prepared to win.

Jose Gomez-Out to score!

Frosh Consider The Years Ahead

FACULTY

District Officials Give Support

This year the Yuma High School Board, led by the Board President, Mrs. Patt Holland, had its usual busy year.

The board president, along with the clerk Vince Shulte and members Maureen Keegan, Dr. Robert Cannell and George W. Biltz, put in more than their fair share of hours to set policies and provide leadership for the Yuma Union District.

Dr. Robert Browne is the district superintendant and Willard Bandes is the assistant superintendant. Fritz Murrell is director of personnel and publicity.

The school board of education is elected by the people to represent the feelings of the community. They meet at least twice a month in open session.

Two Years In The Running

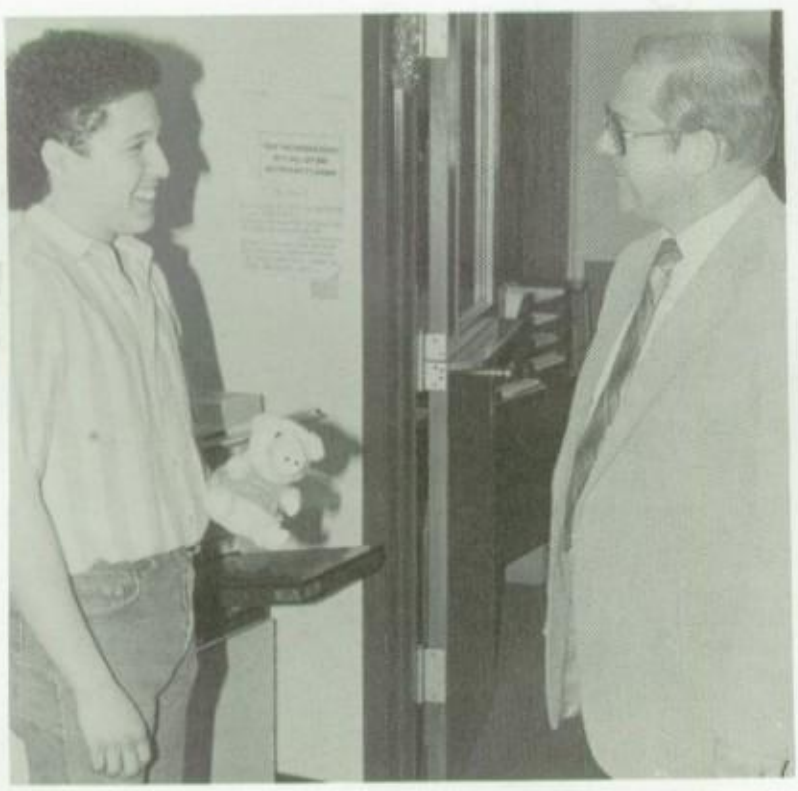
Mrs. Steen takes note.

The dignified Mr. Clayton.

This is Jerry Clayton's second year of being principal of Yuma High School. Before coming here he was principal of Kofa for six months.

Mr. Clayton's job requires a lot of his time and effort to keep Yuma High in perfect order. A few of the many jobs Mr. Clayton must do is public relations work, keeping the school board informed of recent events, evaluating the teachers and most of all, implimenting the school policy.

Mr. Clayton's right hand person is his secretary Mrs. Steen. She keeps a daily schedule of all of Mr. Clayton's business to be taken care of and keeps him on the right track.

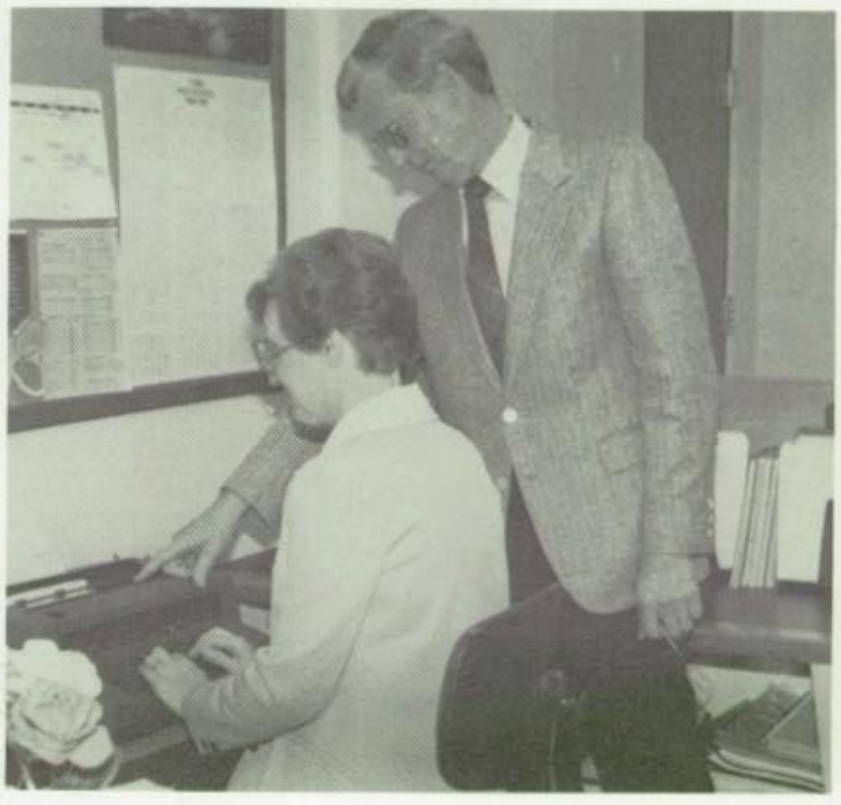


Mr. Clayton, friendly as usual.

Ahhhhh . . .

#2 Man balances facts/figures

Starting the day off with a smile!



Mr. Holland and Mrs. Waldron make a good team.

Mr. Dean Holland is Yuma High School's vice principal. He cares and is concerned about the educational welfare of the students.

He took time out of his busy schedule to come to the classes and observe both teachers and students.

With the help of Mr. Holland, the school year was a success.

Mrs. De Los Reyes and Mrs. Sonoqui keeping track of students records.

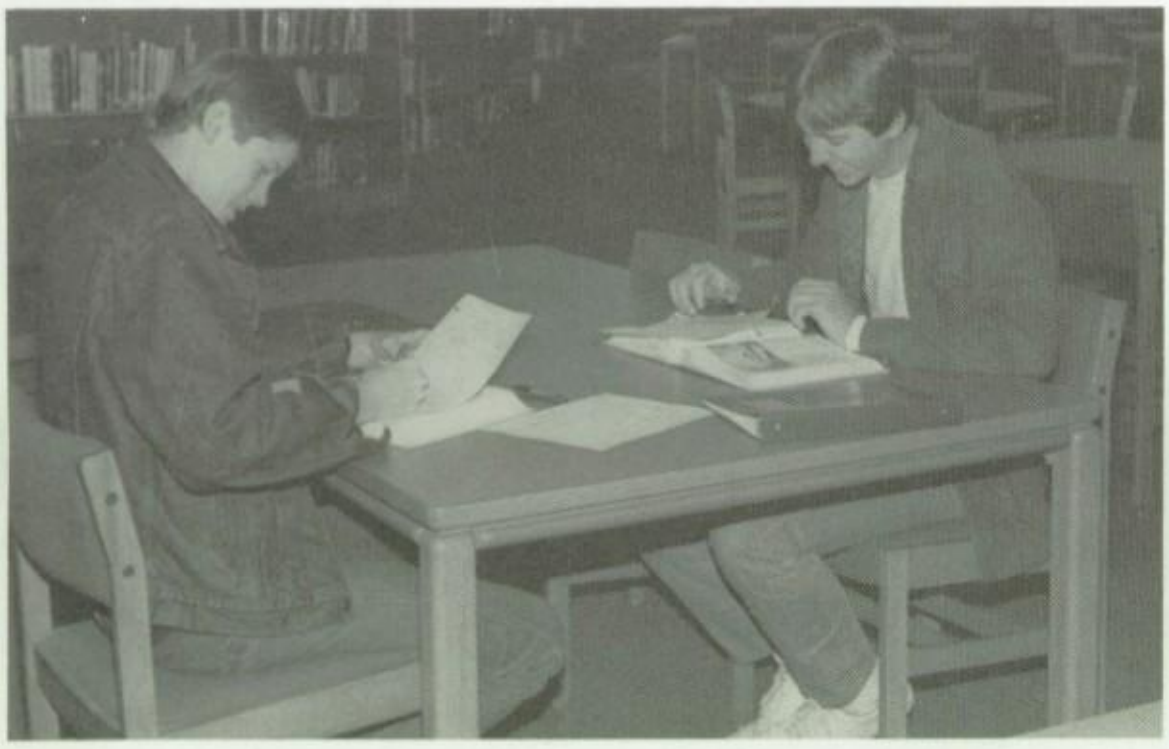
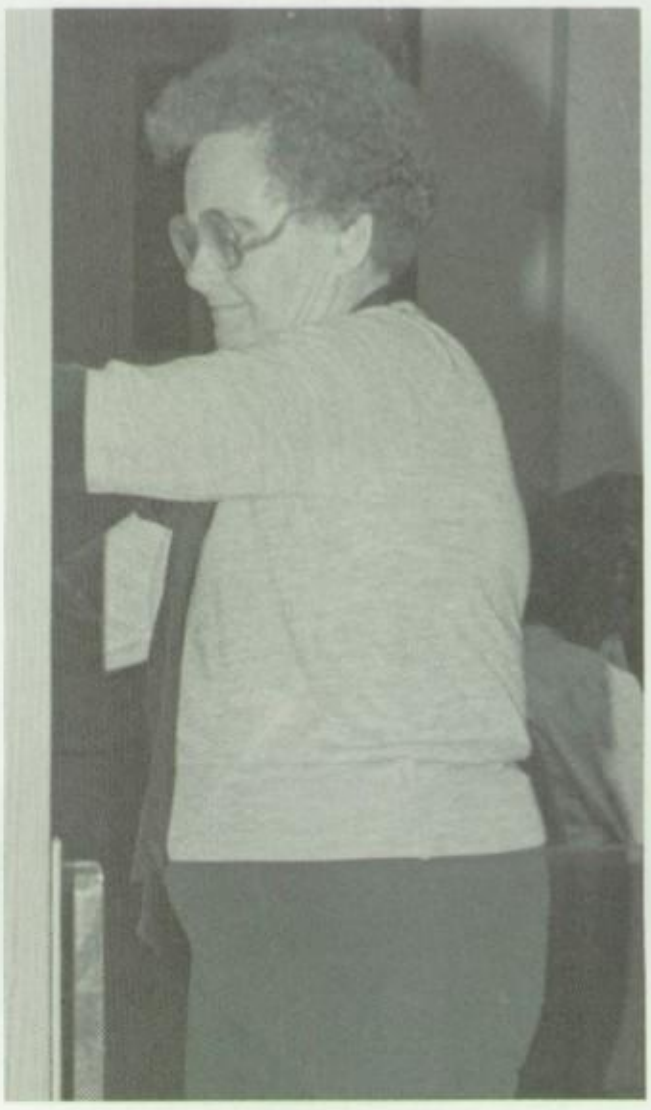
Books Are Their Business





Yuma High School's librarians were there whenever the students needed them.

The. daily jobs require them to help the students in any way possible, should it be to find a magazine article, to assist the student in finding books on a certain subject, or to teach the students about the card catalog.

Throughout the year, Mrs. Turner and her assistants Mrs. Cothrun and Mrs. Collins kept the library in order. This is a very difficult job considering the thousands of books, magazines, periodicals and pamphlets make up to library.

A typing room, meeting room, offices and work areas are also part of the YHS library.

The bus drivers have a big responsability bringing students to school and taking students home.-Most students take the bus ride home for granted. Students should follow all rules listed on the bus. The bus drivers appreciate it a lot when students follow rules.

It takes a lot of patience with students while driving the bus so students should be curtious while coming to school or going home. Bus drivers deserve more credit than they receive.

They should be thanked for a job well done.

These Men Do There Best!

Our campus is a job that these men can only handle. There are over 2,000 students and 100 teachers who keep them busy all the time. Their jobs consist of cleaning hallways, classrooms, bathrooms to taking care of all electrical problems and making sure that everything is running right.

They also take care of the lawns, all the plants and make sure that all the fields are in proper working order for football and baseball. With out these men would not have a decent school. *So Thanks Guys.*

Tom thanks for your hard work here at our school . . .

Discipline And Protection For All!

Barbra Sullivan, Bill Schwab and Jerry Owen take care of our campus very well. (Boy This is a Cheerful group.)

The security officers have a very responsible job. They take care of almost anything and everything, from taking care of fights to checking hall passes, to taking kids out of class for punishment, and the list goes on.
